

NEPAL: REQUEST FOR PROPOSAL (“RFP”) FOR ESIA CONSULTING SERVICES FOR A ROOFTOP SOLAR PROJECT

Saral Urja Nepal (“SUN”) and InfraCo Asia Development Pte. Ltd. (“InfraCo”) are in process to form a joint venture company (Simple Energy Pvt. Ltd.) in Nepal. Simple Energy will develop upto 8 MW rooftop solar PV projects in major cities in Nepal.

SUN would like to engage an independent party (“Consultant”) to conduct ESIA (“ESIA Consulting”) services for this project.

Bidders interested in participating the RFP process may contact Apar Neupane, Project Director – Nepal, Equicap Asia Pte. Ltd. by emailing at apar.neupane@equicapasia.com or Aashish Chalise, CEO Saral Urja Nepal by emailing at achalise@saralurja.com with their full company details and profile.

Equicap Asia Pte. Ltd. is the exclusive developer team for InfraCo in the South Asia region.

The last day of proposal submission is on **20 May 2021** by 5:00 PM (Nepal Standard Time).

Printed copies of the proposal are not required.
