

PROCUREMENT

1. Request for Proposal – Owner’s Engineer Services for Bankhwar Hydro Power Plant, Pakistan

InfraCo Asia Development Pte Ltd (InfraCo Asia) and Markhor Energy (Markhor) are jointly developing a portfolio of hydro power projects in Pakistan.

- InfraCo Asia is a commercially managed infrastructure development and investment company of the Private Infrastructure Development Group (PIDG) (www.infracoasia.com).
- Markhor Energy is a renewable energy investor and developer with a geographical focus on Pakistan (www.markhorenergy.com).
- Equicap Asia, the outsourced developer for InfraCo Asia in south Asia, originates and develops infrastructure projects in south Asia on behalf of InfraCo Asia.

Feasibility studies for the projects have been completed and submitted to National Electric Power Regulatory Authority of Pakistan for approval.

InfraCo Asia and Markhor are developing a 35MW Bankhwar Hydro Power Project in the Province of Khyber Pakhtunkhwa, Pakistan (“Project”).

In this respect, a “Technical and Financial Proposal” from a technically sound, qualified and experienced consulting company (or a consortium of consulting companies) is solicited to act as Owner’s Engineer for the Project.

Please contact arooj.asghar@equicapasia.com for the RfP documents.

The closing date for submission of proposals is 23rd June 2021.
