

PROCUREMENT

June 26, 2021

1. Request for Proposal – Independent Consultant Services for Bankhwar Hydro Power Plant, Pakistan

InfraCo Asia Development Pte Ltd (InfraCo Asia) and Markhor Energy (Markhor) are jointly developing a portfolio of hydro power projects in Pakistan.

- InfraCo Asia is a commercially managed infrastructure development and investment company of the Private Infrastructure Development Group (PIDG) (www.infracoasia.com).
- Markhor Energy is a renewable energy investor and developer with a geographical focus on Pakistan (www.markhorenergy.com).
- Equicap Asia, the outsourced developer for InfraCo Asia in south Asia, originates, develops and finances infrastructure projects in south Asia on behalf of InfraCo Asia.

InfraCo Asia and Markhor are developing a 35MW Bankhwar Hydro Power Project in the Province of Khyber Pakhtunkhwa, Pakistan (“Project”).

In this respect, a “Technical and Financial Proposal” from a technically sound, qualified and experienced consulting company (or a consortium of consulting companies) is solicited to act as an Independent Consultant as required under the NEPRA Notification SRO (I)/2017 dated 17 May 2017 (the NEPRA Guidelines 2017) regarding selection of engineering, procurement and construction (EPC) contractors by independent power producers for the Project.

Registration with Pakistan Engineering Council (PEC) is a must. RFP will ONLY be issued to a company having valid PEC registration.

For more information on the project background and scope of work, please contact arooj.asghar@equicapasia.com

Interested consultants will be contacted upon receipt of the Expression of Interest. We expect interested consultants to also attach the project references for similar projects, along with detailed technical and commercial proposal **by 9th July 2021.**
