

INFRA^{CO} ASIA COOKIE POLICY

Use of Cookie Policy

- (a) This Cookie Policy applies to any websites which are operated by or on behalf of InfraCo Asia (“Websites”).
- (b) Our Website uses cookies and similar technologies to collect data from your device. This helps us to provide you with a good experience when you browse our Websites and also allows us to improve our site. All information collected by the cookies we use is anonymous and does not include any information that could identify you. If we do want to collect personal information, we will make it clear when we collect this and explain what we intend to do with it.
- (c) Only necessary cookies are used to make the Websites work. Necessary cookies enable core functionality such as security, network management, and accessibility. You may disable these by changing your browser settings, but this may affect how the website functions. If you do not agree to our use of cookies as set out in this Cookie Policy, you should disable the cookies associated with our Websites by selecting the relevant options / changing your browser settings accordingly. However, you may not be able to enter certain part(s) of the Websites, and some of the functions and services may not be able to function without cookies. This may also impact your user experience while on our Websites.
- (d) This Cookie Policy may be updated from time to time and all updates to the Cookie Policy will be posted on our Websites.

What are cookies?

- (e) Cookies are small files that are created and stored on your computer, smartphone, tablet or other device when you visit a website. The cookies help analyse web traffic, allow web applications to respond to you as an individual and can tailor operations to your needs, likes and dislikes by gathering and remembering information about your preferences.

How we use cookies?

- (f) Strictly necessary cookies: these cookies must be present for the Websites to provide the basic functions of the Websites. They are essential to be able to access features of the Websites. This category of cookies cannot be disabled.
- (g) Functional cookies: these cookies enable the Websites to provide functionality and personalisation. They may be set by us or third-party providers whose services we have added to our pages. You decide whether these cookies are used but if you do not allow these then some or all of our services may not function properly.
- (h) Performance cookies: these cookies are set by us or our third-party analytics providers and allow us to record certain information about you, such as the pages you visit on our Websites, how many times you visit our Websites and the links you might click on. They help us analyse data about web-page traffic and improve our Websites in order to tailor it to customer needs. We only use this information for statistical analysis purposes. The third-party analytics providers may also collect other information about you such as the type of device you are using and information about the device, your IP address and geographical location. This information can be used to create a unique fingerprint to help further identify you on other webpages you might visit and can be used to create a profile of your online activities and interests. Performance cookies may only be set once you have given your consent to them.
- (i) Tracking cookies: these cookies record your visit to our Websites, the pages you have visited and the links you have followed. We will use this information to make our Websites and the information displayed on it more relevant to your interests. Tracking cookies may only be set once you have given your consent to them.
- (j) Contact details: If you have any questions about this Cookie Policy or would like any further information, please contact the InfraCo Asia Data Protection Officer at privacy@infra.coasia.com.
